

OFA* Cardiac Clinic

Sunday November 13th

9:00 am - 5:00 pm

Pawsitive Results Animal Rehabilitation Center

10289 Kinsman Rd, Newbury Township, OH 44065

Echos (cardiac ultrasound), auscultation, and ECG with renowned Board certified veterinary cardiologists Robt Hamlin and Steve Roof.

A portion of the proceeds will benefit the Sara Hollobaugh memorial fund for canine health research at Case Western Reserve University.

*** All consultations completely confidential.**

***Results can be submitted to OFA for certification when and if you choose, and/or to your own vet to add to your dog's records. You may choose to add results to the CWRU study --entirely your choice, no pressure.**

Results can also be useful in helping diagnose or track ongoing development of the individual dog's previously known heart conditions.

The results are yours to do with as you choose.

Auscultation only: \$60.00

Echo + Auscultation: \$250.00

ECG: \$60.00

Pyr Shep DNA Bank collection: FREE

(All Pyr Sheps welcome -whether in the Cardio Clinic or not)

Email entry to gscindy132@gmail.com and send payment via PayPal, or by check mailed to Cindy Wilmoth, 433 Red Rock Dr, Wadsworth, OH 44281 (FMI: 330-351-3134)

The clinic is expected to fill, but walk-ins may be available on the day. Best to pre-register.

Lunch Seminar with the Vets! Noon-1pm

Dr Phil Topham will make a brief presentation on how the heart works and common heart ailments, followed by Q&A discussion with Dr Topham, Dr Hamlin and Dr Roof on prevention and treatment. Fried chicken provided by LEAPSS. Bring a dish to share and/or just make a small donation to the LEAPSS tip jar on the day. BRING CHAIRS!
